

# 2024 New Year Blessing

When: Monday, January 1, 2024

Starts at 6:00 PM

Location: Dhamma Wheel Meditation Center

1518 South Haven Drive, Clearwater, FL

*Parking: via Discovery Academy of Science*

## *Join us for a New Year Blessing Ceremony*

In this ceremony Bhante will chant a profound protective blessing while each practitioner is joined by an unbroken string. A string is then tied around each practitioner's wrist along with a sprinkle of water on top of the head...a wonderful symbol of the protective power of the Triple Gem and blessings...that you take with you.

*Mindfully, and with pure intention, greet this new year.*
